

British Car Day Drive – Friday, October 17, 2025

Meet in Whitney Lakes neighborhood – 2997 Sweetleaf Ln, Johns Island, SC

Contacts– Frank Neill 843 822-3229– John Scott 802 989-4403 – Millie Horton 843 367-7250

To Sweetleaf Ln

From Maybank Hwy, take a right on Sailfish Dr, then right on Sugarberry Ln, keep the lake on your left. At the end of the lake, turn left on Fetterbush Ln, at the stop sign turn left on Sweetleaf Ln. Park anywhere there is a spot on the right-hand side. Restrooms are available at 2997.

To Freshfields

We will take a back way out of the neighborhood to avoid traffic taking Sweetleaf to the end and turning right on Murrywood Rd. At the end of Murrywood is River Rd. Turn right and stay on River until it ends at Betsy Kerrison Pkwy. At those lights turn left and take that all the way to Freshfields. I would recommend taking the 3rd exit on the roundabout and entering Freshfields from the Kiawah Island Parkway but the 2nd exit on the roundabout also gets into Freshfields but that way is quite congested.

Returning to McLeod Plantation

On the way back, take Betsy Kerrison, which turns into Bohicket Rd, until you reach Berryhill Rd. Turn right and take that to the end (watch your speed as 30 mph is enforced). Turn left on Walter Dr. Take that to the end which is Maybank Hwy. Turn right and it's a straight shot to McLeod Plantation.
