Prez Sez

By Dave Rosato

At many of our events for many years, Wray and Susanne's company, Mt Pleasant Radio, has lent the club two-way radios to use. We have been very grateful for this. We decided that the club should purchase at least a couple radios. So we asked Wray and Susanne to pick a dependable radio that would suit the clubs needs and we ordered two. When Millie went to pick up the radios, four were ordered. We want to thank Wray and Susanne for their continued generosity for donating the two additional radios.

Our Zoom monthly meeting was well attended. Later in this Windscreen, Irene summarizes our discussions. The first discussion point was how everyone felt about meeting face-to-face. Most in the meeting were in favor. Most had been vaccinated. Our picnic next month at Hallie Hill will be a face-to-face, keeping with CDC guidelines. It will be outside but in the past we provided food inside the cabin. To prevent a congested inside area, we are asking everyone to bring a lunch. The club will be providing drinks. It will be great to see everyone, hope to see you there.

Our Tech Session on Alex Toline's MGB continues. We're still trying to resolve why the engine coughs out the carburetor when trying to accelerate. Bill Tucker mentioned to me that his MGTD was pulling to the right when braking. I suggested he come over to take a look at it. We pulled the front wheels to find the front left brake cylinders leaking, wetting the brake shoes. While under there I noticed that both steering boots were torn. Bill also mentioned that the car got very hot, especially at idle in traffic. Tech Session coming! Bill ordered new parts. I'll be sending out an email to have a Tech Session to work on Bills TD.

Torsten Kunze, last years Membership Chair, is on his way to Portugal. He put his MGA on Bring a Trailer. He did so with no reserve, as it had to get sold. With no reserve, you stand the chance of selling the car for a song. But Torsten was fortunate, it went for a good price. I want to thank Torsten for donating a bunch of car books for the British Car Day silent auction.

BCCC May 2021 Meeting

By Irene Breland

The BCCC May meeting was once again held via Zoom with 22 members in attendance.

Dave opened the meeting with discussion on Covid comfort levels for in person gatherings. All seemed ready for in person club meetings and events to start again. Most seemed to think it okay with vaccinated members and everyone following CDC guidelines. Dave will discuss the possibility of July and August meetings at the June 12th picnic.

The annual club picnic will be held at Hallie Hill Animal Sanctuary in Hollywood, SC on June 12th. Lynn discussed the sanctuary's mission and history. All club members attending are asked to bring a donation of food, treats, litter or paper goods. And of course, monetary donations are always welcome. CDC guidelines will be followed. Check the BCCC website for more details. RSVP is required.

Dave updated all on BCD preparations. The Friday evening reception will be held at The Sweetgrass Pavilion at Mt Pleasant Waterfront Park. We are still working on a caterer for food and cash bar. Contact Lynn or Bob if any suggestions.

Bob updated all on Food Truck options for show day with 1 truck already committed. He is reviewing a few others for the 2nd. He is also looking for Goody Bag donations.

Dave discussed how well the Silent Auction does and asked all to help with donations. Contact Natalie Bluestein with items.

Watch for email from Dave for BCD volunteers. Many hands make light work, and you get to know your club members!

Millie said a June drive might be possible but there was more time in July. The Cypress Gardens drive had 12 LBCs.

Long time club member Torsten Kunze is moving and recently sold his beautiful MGA on Bring a Trailer. He will be missed.

General discussion followed with Richard Fritz talking about a Sunbeam event he was trailering his car to but was looking for a trailer. Two generous BCCC members offered the use of theirs. See it pays to come to BCCC meetings!

Another event was mentioned that some BCCC members attended and wondered why more were not there. Lynn suggested that we let Dave know of events that are open to British cars so he can post it.

Dennis and Richie bought a paint booth to be used in Dennis' new garage. Ritchie will be the 1st to use it with a Jeep instead of a British car!

New members then introduced themselves and their cars. A few needed a little help and between Dave and Dennis, they should get it. Tech sessions are on the way!

Registration for Cars on Kiawah is going very well with a nice variety of cars coming in from several states. Cars are displayed by country of origin in Ocean Park on Kiawah Island, SC. Event date is October 16th. Check www.carsonkiawah.com for registration information and volunteer opportunities.

Speed & Beauty: Playing nicely together

by Richard Fritz

On Sunday, May 16th the Three Rivers Region Porsche Club of America hosted a Speed & Beauty Car Show at The Hunter-Gatherer Brewery & Alehouse in Columbia to benefit CampKEMO. The British Car Club Midland Centre is always invited to bring the "Beauty" aspect to the show.

The weather was perfect. The show field was a sight to behold and the Hunter-Gatherer Alehouse in the old Curtiss-Wright Hangar provided just the right balance of food and drink to satisfy anyone's thirst and palate.

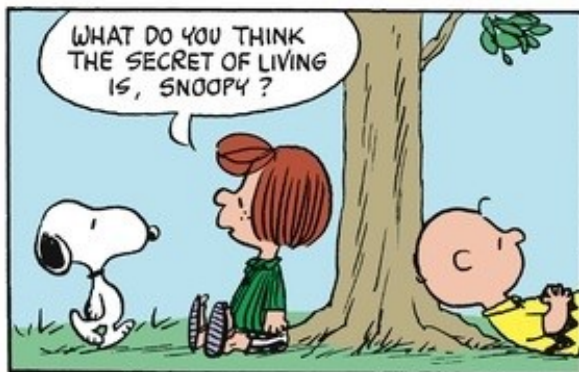

The Three Rivers Club had 77 cars registered but, looking around; there were a lot more cars than that on the show field. There were at least 2 dozen British Cars at the show, some non-Porsche German marques, some Japanese cars, a few Italians, and of course Porsches new and old. My favorite was a 1947 Lincoln, the year I was born.

Coming off a year of coronavirus cancellations, this event was a welcomed opening to the 2021 car show season. People were having fun, enjoying the cars and the conversations, and doing so without masks.

I'm looking forward to the 2021 planned show schedule. The past year was like being all dressed up with nowhere to go. It's way past time to get out there with friends and like-minded car people to tell our stories and, maybe, learn some new tips n' tricks to keep our 'favorite' car running well and on the road.

See you on the circuit...

Car Window Stickers

by Howard Meyers

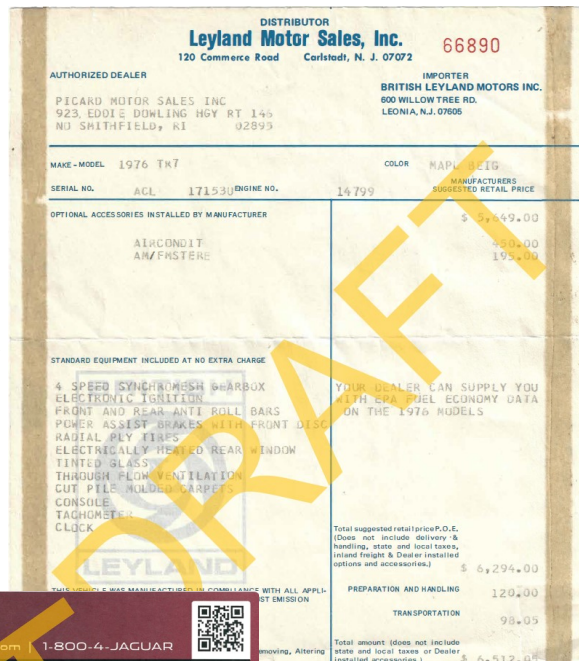

If you ever wanted a Window Sticker for your car, I can make one up for you. To keep the cost low, I do all the work via email. I work with owner, since they know more about the car than I do. I also do research to try to make the Sticker correct to the car as possible. I do the work and then send the owner a draft for them to look over and make any changes they want until they are happy with the Sticker.

The owner then can choose from Laminated, Non-Laminated, or both. I print them on the original Window Sticker Label paper that the Manufacture uses as of today. I do not charge for the Window Sticker Until the Owner has received the approved Window Sticker. I will then send the owner a PAYPAL invoice.

Here is the cost for the 2021 year.

- A. 1-Laminated for \$38.00
- B. 1-Not laminated for \$33.00
- C. Add a second laminated for \$28.00
- D. Add a second non-laminated for \$23.00

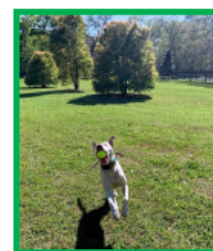

I leave extra lamination at the bottom so that you can put it under the windshield wiper without covering the words if the owner wants me to do that. If you have any questions or would like to purchase one for your classic car, contact me at windowstickers100@aol.com.

British Car Day Welcome Reception Venue

By Dave Rosato

Millie, Irene, Lynn and I checked out the Sweetgrass Pavilion in Mt Pleasant as a possible venue for the BCD reception. It is across from where we had BCD many times and is at the entrance to the Mt Pleasant pier. The building has a large closed and covered area that can be opened with large barn doors.

- A. Crescent Lawn
- B. Cooper River Room/Restrooms
- C. Vendor Loading/Unloading
- D. Sweetgrass Pavilion
- E. Parking
- F. Parking

It also has two covered areas. On the pier side of the building is a large tabby pad that we can use. The pier is a short walk and gives beautiful views of the Cooper River. This venue is shows the uniqueness of Charleston and is a perfect venue for the reception. So we decided to book the venue.
